Abstract

This is the abstract.

1 Introduction

This is the introduction.

2 Analysis

2.1 Data

Here is the analysis.

Here's a formula: $\int_0^1 x dx + y = \pi$. More text.

$$\int_0^1 x dx + y = \pi$$

$$\int_0^1 x dx + y = \pi \tag{1}$$

As shown by Equation 1 ... 1.00 ± 0.02 .

2.2 Code

2.2.1 Minicode

Code!

3 Blah

Blah!

4 Conclusions

Here are the conclusions. As shown in Section 2.

Table 1: Data table

Quantity	Value
Radius	5
Mass	10
